

# Adventure Camp 2010

## COVENANT

Please take a minute or two to read over the following list to make sure you and your parents understand exactly what is expected during our upcoming trip to Clark, Wyoming. After both you and your parents have read the list, make sure you sign it as indicated at the bottom and then send it back to the Harvest Fellowship Church office (along with your remaining balance and health form). We want to make sure that this is a fantastic trip and therefore want to make sure everything is clear before we leave. If you have any questions, call us here today.

1. Please make sure you pack your good attitude when you join us on the van. It will not be helpful to complain about mosquitoes biting your butt, your tipi leader's snoring, or the cold chalupa you bought at Taco Bell. Thanks.
2. No drugs, alcohol, or tobacco will be allowed on this trip. If we discover that at any time you have been in possession of these things—or there is good reason to suspect that you have been in possession of these things (we don't expect this to happen!), we will send you home on the very next Greyhound bus out of Cody, WY at your parent's expense. **No exceptions. No kidding.**
3. No student will be allowed to leave the group at any time without explicit permission from one of the adult leaders.
4. We will expect all Adventure Camp participants to participate in the group activities we have planned. We're not sure why anybody would want to miss any of these; we just thought we'd mention it here.
5. We will be guests at all the facilities we will be using. We will abide by all of their rules. Failure to do so will result in accepting their consequences and the consequences determined by the trip leaders.
6. No electronic devices will be allowed at camp for the entire week of camp (mp3 players, headphones, games hand helds etc). You may use electronic devices on the trip to and from The Be There Ranch only when the sun is below the horizon (i.e. when the majority of people could be sleeping). **Do not bring a cell phone** (Parents: Leaders will bring cell phones for emergency use). If you do bring a cell phone we will collect it in the parking lot and it will be given back to you when we return.
7. You will expect a great trip. Don't we usually get what we expect?

**If this all makes sense to you, just sign below and make sure you send this into the Harvest Fellowship Church office by Tuesday, July 20<sup>th</sup> (along with your consent form and remaining balance). Thanks!**
